After scores are implementation estimates. Re-run Flow Ninja to confirm.

Summary

Site score (before): 56

Overall ForeSight grade (0–100) from Flow Ninja before GYSH copy and schema fixes.

Issues found (PDF): 16

Count of Improvement-list items in the Flow Ninja report (not category scores). Each maps to one Testing Portal case under area ForeSight.

Fixed vs Outstanding (portal): Pass = Fixed · not Pass = Outstanding

On Testing Portal, open the ForeSight chip under the status tiles: Fixed N · Outstanding M · Total 16. Mark Pass on a case to move it from Outstanding to Fixed. Two items remain manual: FS-011 (one primary audience) and FS-013 (ongoing content reinforcement).
